December 1, 2020

Dear Community Colleague and Friend,

We are proud to announce that the ***20th Annual Minority Legislative Breakfast***, scheduled for Friday, December 18th, 2020 will be held online from 9:00am to 10:30am. This annual signature event is hosted by the Hispanic Chamber of Commerce Montgomery County (HCCMC), the Asian American Political Alliance, and the African American Chamber of Commerce of Montgomery County.

Current changes in national policies, particularly as they pertain to the immigration issue, firearms, and access to health care, education, transportation, and cellular technology, have significantly changed the landscape or our neighborhoods and communities. Fear of loss of entitlements pose a real challenge in the ability to speak out against those changes that do not resonate well with our communities. These changes augment the discrepancies in educational and work opportunities that have long been evidenced, and nuances of programs and legislature sometimes favor or challenge specific segments of the population.

During this event, we will present to the State and the County those legislative priorities that we hold in common to support a better community in Montgomery County. We know we can count on your support to promote measures that help us achieve a more equitable level playing field where we can all enjoy the opportunities and natural resources and live decent productive lives. Please join us this December 18th and consider an active participation by sponsoring this year's Annual Minority Legislative Breakfast at the best level you feel is appropriate. Through this sponsorship, you and/ or your organization will be recognized at the event and will be listed in the program in the way you would like. Let me know by calling me at (301) 332-2686 or e-mail at info@hccmc.org.

We look forward to seeing you, your colleagues and guests for breakfast. We have provided a sponsorship form for your convenience. Thank you in advance for your support and participation.

Sincerely,

Carmen O. Larsen
